

## CASS148 for EVERYONE and ANYONE

1. Anyone who wishes to enhance his/her present knowledge about the world where he/she lives in can join CASS148.
2. CASS148 is a systematic way to learn things around us.
3. CASS148 will include topics that are not available in conservative educational systems.
4. They are picked from various sources for enhancing and institutionalizing the basic principles of flawless learning.
5. It is quite affordable for anyone who lives in remote corners of India and the world.
6. CASS148 can be a best adult education scheme as it, step by step, enriches a tired mind and enlivens the missed days of education.
7. The course you study will earn you a merit certificate and enrich your knowledge and perspectives of the universe you presently possess to a great level.
8. CASS – 148 is a training course and students must be ready to do some study and research from the fifth month. This will enhance the knowledge of the students unbelievably!
